

Dear Friends:

[WRITE TO ME](#) through the House Of Representatives Write Your Representative entry form  
:

I am very interested in hearing your views on issues of importance to you, pending legislation or assistance you need on a federal matter.

If you are contacting me about a problem you are having with a federal bureaucracy, please note that often times federal agencies require that I have a Privacy Statement signed by you with your Social Security number. If this is the case, please print and fill out the [Privacy Release Form](#) and mail it to me. Please provide me with as many details as possible about your problem in order for me to understand it and how you want it to be resolved.
